

**Amendment to the Pioneer Ridge
Community Association ByLaws**

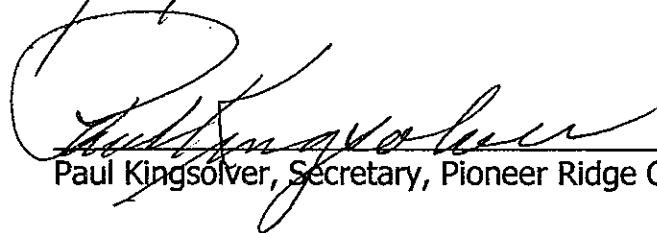

The Homeowners of the Pioneer Ridge Community Association had a sufficient (20%) quorum at their November 19, 2008 Annual Meeting and voted to amend Article III, Section 4a, "Quorum" to read as follows:

a. A quorum is deemed present throughout any meeting of the Association if persons entitled to cast ten per cent (10%) of the votes which may be cast for election of the Board of Directors are present, in person or by proxy, at the beginning of the Meeting.

We certify that a quorum of 20% of the membership was present on November 19, 2008 and voted to amend the ByLaws to read that a quorum is now officially ten per cent (10%).
